To whom it may concern

Dear Sir or Madam

On behalf of Flowserve, we are pleased to share exciting news about the future of Greenray. We recently [announced we have acquired Greenray](#) to drive new opportunities in the gas turbine service and support field.

Flowserve is a global leader in flow control solutions across a variety of industries. Together with Greenray's globally recognized expertise in products and services for gas turbines for power generation and oil and gas transportation and processing, we will be in a better position to support your business needs, as you will now have access to the full portfolio of Flowserve flow control products and services.

Critically, Flowserve shares Greenray's commitment to delivering unparalleled innovation with exceptional service. Supporting our customers will remain our top priority.

The acquisition is complete, and we will focus on creating a seamless experience for you as we integrate Greenray and its brand into Flowserve, providing updates as needed. At all times during this process our intention will be to maintain customer focus, by ensuring that there is no change to how Greenray maintains engagement to deliver all existing contractual commitments and contractual relationships.

On behalf of the entire Flowserve team, thank you for your continued trust. We look forward to working with you for years to come. If you have any questions, please contact me or your normal point of contact at Greenray.

Kind regards,
